NAAAP Pride is a national program by The National Association of Asian American Professionals. It is here to empower, educate, engage, and celebrate the Asian American LGBTQ+ professional community and its allies by providing education, promoting visibility, and developing current and future LGBTQ+ leaders. We will provide resources and support for those in all stages of the coming out process and for those creating safe and affirming work and learning spaces where Asian American LGBTQ+ students and employees can live, work, and study safely, openly, and genuinely.
